Enrichment Group Parent afternoon
Tuesday 24th June @ 2:20pm

All parents are invited to come up and see what your child has been doing in enrichment groups this term. You are welcome to visit the school from 2:20pm. You will need to ask your child who they have as their enrichment group teacher. In most cases it will be their class teacher, however, there are a number of students who attend different classes. I would like to thank all the teachers for their hard work and enthusiasm in making enrichment groups engaging and rewarding for all students. I look forward to seeing you all there.

Showcase of Talent
Well done to all the fabulous students who performed in this year’s Showcase of Talent. You did yourself proud! Thank you to all the teachers for their effort in helping with the organisation, and to the parents and Mr Jones our GA for cooking sausages and helping to distribute them at lunchtime.

Kindergarten Enrolments for 2015
If you have a child who will be attending Kindergarten in 2015 but haven’t enrolled them yet could you please do so as soon as possible. If you are not sure if they are ready or need some advice about enrolling your child for the 2015 school year please do not hesitate to speak to the wonderful ladies in our front office, Mrs Brennen and Mrs Clark or you can make a time to speak with myself. I will be having formalised meetings with all children and parents towards the end of Term 3.

Uniforms
We have a wonderful school uniform and the community is very proud of it. I have had many people comment on how our students present at school each day which is a testament to all your efforts having said that, I have noticed of late that children are starting to come to school in ‘Hoodies’ and other variations of our uniform. I am aware that students have represented our school in various extra curricula activities of which jackets and T-shirts etc are able to be purchased. Taking this into consideration the students will be able to wear these clothing items on Friday only.

Stanger Danger
A recent incident near Aberdeen Circuit has been brought to my attention by a community member. This incident was not to do with any students from our school, however, it did involve a high school student being approached by another youth wanting them to handover a laptop and mobile phone and making threats towards the student. Fortunately the student was able to diffuse the situation and get home safely. Could you please ensure that if your child is to walk home that they do so with a friend and not all by themselves.

End of Term
Whist this has been a very short term it has also been a very busy one! Teachers and SASS staff have been working extremely hard to continue to provide your children with excellent educational programs and extra curricula activities. As Principal I would like to publicly commend them on all their efforts. As a team the collegiality is second to none and I believe that is what makes our school a Great School! Thank you to all our hardworking P & C and all the parent helpers that contribute each and every day.
I would like to wish you all a very safe and happy winter break and for all our lucky families and teachers who will be travelling to warmer climates a very safe and enjoyable holiday! PS Even though I am very jealous!
Just a reminder if you see any suspicious activity on our school grounds please feel free to call the Serious Incident Hotline on 1300363778.
Library News
We have some lovely new books nearly ready for borrowing and would really appreciate any of our volunteer covering experts to help us get them covered please.

Book Fair
We have Book Fair coming up again in week 2 and 3 next term. We will need some lovely volunteers to assist with sales, tidying and packing away at the end of the fair, so if you can assist, please contact Mrs Lamond by the end of this term, Friday 27th June. Last year the Book Fair was hugely successful, with over $10000 worth of books sold, so let's see if we can do as well as that this year! The theme is Book Fair Garden so come along during Education Week and see what wonderful decorations the children have put up. We will be having a guessing competition: a jar of bookworm lollies. For each book purchased, the purchaser receives one free guess. And there are more announcements to come, like a Creepy Critter Competition!
