Clean Up Surveyors Month

Last Friday was Schools Clean Up Day and we had a fantastic response from the children. However, due to the grass areas being closed, only Stage 1 (Years 1 & 2) was able to participate in the clean up. To allow all children to participate in a clean up of our school we are now holding Clean Up Surveyors Month. Each week, on Friday, one stage will be responsible for picking up any rubbish in the school grounds. The Stage that will be cleaning up this Friday is Stage 2 (Years 3 & 4). Stage 3 (Years 5 & 6) will be cleaning up on Friday 18th March. Kindergarten will be cleaning up on Friday 25th March.

Please assist us by providing your child with a plastic bag and gloves on their clean up day.

Thank you
Michelle Blackwell
Co-Ordinator.

Pancake Day

Thank you to all the parents who donated the pancake mixture, so we could all have wonderful pancakes yesterday. A big thank you to the fundraising committee and all the volunteer Mums who generously gave up their time to make the pancakes. This raised a total of $550.00 for our school.

Thank you from the Fundraising Committee.

More Mathletics Success

We are very excited to report that Brayden D of 5/6J competed in the Maths World Day in Mathletics. There were over 5.3 million children who participated representing 218 countries. Brayden’s final result was in the top 100 for his age group, 93rd place. Brayden was the only student from Surveyors who made it into the top 100 for any age group. Congratulations to Brayden and all the other children who participated in World Maths Day!

Thankyou
Anneliese Johnson
