SRC 5c Challenge Fundraiser

Dear Parents/Caregivers

The students in the SRC are having a 5 cent challenge week to raise money for the organisation YGAP. They collect small change to make a difference in the community both here in Australia and overseas.

Each class has a challenge to collect the most 5c coins in 1 week. There is a class prize of a popcorn and movie afternoon for the winning classes in infants and primary.

Each class will have a coin container to collect the 5 cent coins. These will be weighed and collected daily. The total amount will be counted on Thursday 22nd September where the winning class will be announced.

Your support is greatly appreciated.

Yours sincerely

Mrs Lena Maiden
SRC Co-ordinator

Mrs Kathy Browne
Principal
