4 February 2015

100th Anniversary A.N.Z.A.C.

Dear Parents/Caregivers

As we approach the 100th anniversary of the A.N.Z.A.C. landing at Gallipoli, our school is hoping to mark the event with a series of activities. These may include an assembly, presentation of a play, construction of a memorial garden and a national dress day.

To enrich this experience, we are surveying the school community to find out who may be of assistance in the following areas:

- donations of rosemary
- donations of fresh flowers
- landscaper
- gardener
- able to play the bugle at the ceremony
- have veterans who would like to attend the ceremonies
- donations of food for the morning tea

If you are able to contribute in any way, or can offer a contact, please complete the form below and return to the office by Friday, 20th February.

Yours sincerely

B. Whelan
Mrs Bronwyn Whelan
Assistant Principal

Mrs Kathy Browne
Principal

On behalf of the ANZAC Committee
