HONOUR ROLL PATH

Dear Parents/Caregivers,

As part of our ANZAC commemorations for 2015 we are designing a Memorial garden with plaque, traditional landscaping and a path of pavers to form an Honour Roll, with names of community and family members of our community who fought in a war, in defence of Australia.

We are offering single pavers and double pavers for families to purchase which will go into the Honour Roll path. These pavers will be part of a permanent design which will commemorate local families' involvement in future commemorations for generations to come.

Along with the paver is the opportunity to complete more detailed information about your family member and have it as part of an Honour Roll Book which will be sold initially through the school. Even if you do not purchase a paver, you can include your ancestors and family members in the book.

The collection of the information form for the Honour Roll Book, the pavers and payment will need to be received by 9:10am Friday, 7 August 2015 to ensure we can have the garden and book completed by September.

The Honour Roll booklet will have a small cost attached to cover the costs of creating the book.

Families who contribute to the content of the book will be able to purchase 1 copy of the book for a discounted price. The book will be available to all community members. Further information about purchasing the Honour Book will be made available closer to printing.

Please complete the included form for your family War Memorial paver and return it to the front office with payment by 9:10am Friday, 7 August 2015.

Yours sincerely
