17 July 2014

YR 1 & YR 2 EXCURSION TO LONGNECK LAGOON ENVIRONMENTAL EDUCATION CENTRE

Dear Parents/ Caregivers

During Term 3 the students in Year 1 and Year 2 will be studying the science unit ‘Wet and Dry Environments’. As part of our studies we will be visiting the Longneck Lagoon Environmental Education Centre. There will be opportunities to look at small woodland organisms, participate in bird watching, study a freshwater ecosystem and learn more about wet and dry environments.

2W, 2H, Year 2 students in 2/3H will be attending the centre on Wednesday 13th Aug 2014.
1/2C and 1ML and Year 1 and 2 students in the support unit will be attending the centre on Tuesday 19th August 2014.
18 and 1CW Wednesday 20th August 2014.

The students will be required to wear school uniform and a hat. Sunscreen should be applied as most activities at the centre are outdoors.

The centre has requested that our students bring an ‘Earth Friendly’ lunch and recess with them. I have included a flyer with more information about ‘Earth Friendly’ lunches with this permission note.

The students will need to be at school on the date of their excursion prior to 9am. The buses will be leaving the school bus bay at 9.15am and will return before 3.10pm.

The cost of this excursion is $18.00. Payments and permission slips are to be placed in the payment strong box located near the front door of the office by 9:10am on Friday, 8th August 2014.

Yours sincerely

B. Whelan
