Wacky Wednesday Walkathon

This year on Wednesday, 14th October, 2015 our P&C are organising a “Wacky Wednesday Walkathon” for our major fundraising event to raise funds for school resources. On the day, students and teachers can get dressed up in Wacky clothes/socks and Wacky hair to participate in our walkathon and a day of fun-filled activities.

For the day to run smoothly students will either be participating in the walkathon, enjoying activities under the COLA or cheering on our walkers from their classrooms.

Each student will receive a Sponsorship booklet which they can ask family, friends and neighbours to sponsor them for the walkathon. Please reiterate to your child/ren the dangers of door knocking without adult supervision. To reward students for getting involved, they’ll receive a prize based on the total amount they have fundraised. Please help them with Step 6 – How to Claim Prizes. This can be found and filled out on the back page of the Sponsorship Form. This form along with all money raised is due back to the P&C box inside the Office foyer by Wednesday 7th October @ 3.10pm (Term 4, Week 1).

There will be a BBQ instead of normal lunch orders on the day for all students. A pre-order form (attached) needs to be completed and returned to the office for each child. Family and friends can purchase from the BBQ on the day.

Not only can you support the school by way of donation but you can join in on the fun! We would like to welcome parents and family members to attend the Wacky Wednesday Walkathon on 14th October 2015 to help cheer on the students. In order for the day to be successful we would also like to ask for volunteers to help with a range of activities on the day. If you would like to volunteer on the day, please fill out the attached volunteer form and return it to the P&C box inside the Office foyer.

Students can also participate in our Activities under the COLA which will include coloured hairspray, temporary tattos, guessing competition, Raffles with prizes and much more. To participate in the activities students will need to purchase tokens on the day and exchange tokens for the activity they wish to participate in. The cost will be $1 per token and different activities will require varying amounts of tokens.

Thank you for your support.
