Dear Parents/Caregivers,

Creating Chances in partnership with Glenmore Park High School invites your child/ward to take part in the Combined Penrith Primary School Gala Day on Monday 24th August, 2015. The aim of this event is to encourage children within Penrith to take part in football (soccer) and fun team building games; to provide female youth from Penrith high schools a chance to develop their confidence and leadership skills and a chance for children to connect with other children in Penrith to promote community harmony through sport.

About Creating Chances
Creating Chances enables youth to reach for their goals. We aim to inspire, develop and empower youth to believe in themselves and contribute positively to society. As the first Social Enterprise in Australia that engages young people through their common passion for sport, Creating Chances makes social impacts in the areas of social inclusion, education, employment and health.
The Creating Chances program is a joint initiative of Football United and Rugby Youth Foundation which combines the focus of Australian Schools Curriculum on 21st Century skills with 'the importance of life skills learning' to equip youth with the necessary life skills able to operate with confidence in a complex, information-rich, globalised world.
