Penrith District Cross Country Carnival
Friday, 6 May 2016

Dear Parents/Caregivers

Your child has been selected to represent Surveyors Creek Public School at the Penrith District P.S.S.A Cross Country Carnival. This carnival will be held at Jamison Park, which is located on Jamison Road, Penrith, on Friday, 6 May 2016. The carnival cost will be $7.00.

Children will travel to the carnival by private transport. Each child will also be required to return the attached permission note together with the $7.00 entry fee. If you are able to help with the transport of children, please provide your driver’s license and registration for copying at the office.

Children will need to bring their own recess and lunch. It is also important that they wear their full sports uniform competitors will not be allowed to run in spikes. Students will need to bring a hat, sunscreen and water.

Parents are most welcome to attend the carnival and support our team. However, if you do attend the carnival, please understand that all Surveyors Creek Public School students must sit in our schools designated area and must remain under the supervision of school staff. Parents are asked to set up at the back of the schools’ shade tent.

Children may leave the carnival with their parent(s) after their event provided that the supervising teacher is notified before they leave the carnival and they are signed out by their parent on the carnival roll. Parents who would like their child to leave the carnival in the care of a relative or another child’s parent must provide written permission for their child to do so.

Those children who finish in the first 8 places in each age division will go on to represent Penrith District at the Sydney West Carnival. Penrith District P.S.S.A. T-shirts will be available for purchase by those students who qualify to attend the Sydney west carnival. They will be sold at the carnival and cost $30.00 each.

Please complete the permission note below and deposit it together with $7.00 in the collection box outside the office by 9:10am Friday, 29 April 2016.

If your child is unable to participate, please notify Ms Quinlan as soon as possible so that reserves may be offered a place in the team.
