SCPS Sports Fun Day

Dear Parents / Caregivers

On Friday 4th of November, the SRC are holding a Sports Fun Day. This is to raise awareness of the importance of exercise, healthy eating and to combat the risk of obesity.

During the day, children in Years 3-6 will rotate amongst different sport based activities which will be run by the SRC students. Kindergarten to Year 2 students will be undertaking an obstacle course.

On this day we are asking students to wear sporty clothing, sneakers and bring in a gold coin donation. All money raised will go towards supporting Hunter Stevens, one of our students who is representing NSW PSSA Athletics at the Australian Championships.

We are also encouraging students to bring a healthy lunchbox to promote healthy eating.

Yours sincerely

Mrs Michelle Blackwell
On behalf of SCPS SRC

Mrs Kathy Browne
Principal
